## ORIGINAL HAMBURG

### **FRANZI FRANZBRÖTCHEN LIQUEUR<sup>6</sup>** 4cl 7 €

15% VOL FROM HAMBURG

The Franzbrötchen is a real Hamburg classic, an integral part of history and the everyday life of the Hanseatic city. Vanilla, cinnamon, caramel and cream make the liqueur for a crumb-free taste experience.

### **HAMBURG EGGNOG<sup>5</sup>** 4cl 7 €

17% VOL FROM HAMBURG

Heinr. von Have exclusively sources eggs from the region. The natural product is rounded off through citrus aromas and fine herbal distillates. The liqueur does not contain any dairy products at all and is gluten and lactose free.

### **SAINT GINGER-GINGER LIQUEUR<sup>6</sup>** 4cl 7 €

15% VOL FROM HAMBURG

Fruity and spicy experience directly from St.Pauli. The fruity sweetness binds the spiciness of the ginger, without the intense ginger to diminish the taste experience.

### **SCHIETBÜDDEL-COCONUT RUM LIQUEUR** 4cl 7€

40% VOL FROM HAMBURG

Gently soft drop of real Jamaica rum, surrounded by the aroma of coconut and sweet chocolate and vanilla notes. From a warm summer night on the Elbe was created this incredible drink that you absolutely have to try.

### **MOIN RUM - SPICED SPIRIT<sup>6</sup>** 4cl 7 €

40% VOL FROM HAMBURG

For thoroughbred and hobby Hanseatics. Particularly honest, refined with a noble vanilla note. The sugar cane distillate impresses with full, deep intensity and is harmoniously refined with a light caramel note.
